Commissioner for Patents

Applicant's submission on 15 June 2005, entitled "COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE," has been noted and entered. The examiner on record has reviewed the submission; however, the examiner will not comment upon the submission.

See MPEP §1302.14, repeated below:

Comments filed by the applicant on the examiner's statement of reasons for allowance, should preferably be submitted no later than the payment of the issue fee, to avoid processing delays. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Comments will be entered in the application file by the Office of Publication with an appropriate notation on the "Contents" list on the file wrapper. The application file generally will not be returned to the examiner after the entry of such comments made by applicant on the examiner's statement of reasons for allowance. Therefore, the absence of an examiner's response to applicant's comments does not mean that the examiner agrees with or acquiesces in the reasoning of such comments. See 37 CFR 1.104(e). While the examiner may review and comment upon such a submission, the examiner has no obligation to do so.
